Commissioner Mary Beth Scow
Clark County Government Center
500 S. Grand Central Pkwy.
Las Vegas, NV 89155-1111

Commissioner Scow:

It is with great appreciation that I am given the opportunity to express my support for the creation of an Armenian Memorial in Sunset Park, which is in Congressional District 3. The proposed memorial will honor the one and one half million victims of the Armenian Genocide of 1915-1923 and stand in remembrance of this tragic time and all genocides that have followed. The memorial will also represent the acceptance, hope, and opportunity provided to all those who sought refuge here in southern Nevada.

Las Vegas has a proud history of serving as a refuge for those of Armenian descent. Southern Nevada is now home to over 15,000 Armenians who make Las Vegas a diverse and vibrant community with their many cultural groups, political organizations and businesses. The Las Vegas community continues to benefit from a growing and diverse population, and this memorial would act as a physical manifestation of how citizens from all background are able to come together and celebrate culture brought to America from abroad.

Thank you for providing me the opportunity to express my support for the creation of the memorial in honor of the victims of the Armenian Genocide of 1915-1923 and if ever I may be of assistance, please do not hesitate to contact me.

Sincerely,

DR. JOE HECK
