AND IS BEING ADDED TO THE RECORD PURSUANT TO NRS 241
Building Together Southern Nevada is a local non-profit organization that will repair your home at no cost to you.

Our work is primarily done by community volunteers and licensed contractors, when needed. Repairs and renovations are paid for by generous donations from community organizations, local businesses, civic organizations and individuals throughout our community.

Applications are accepted year-round. We encourage you to visit our website, www.rtsnv.org, to assess how our programs and services might be of help to you. To become eligible for home repairs, you must:

- Own and live in your home for at least one year (having a mortgage is acceptable).
- Be low-income according to HUD guidelines.
- Be over 60 years of age, or disabled, or a veteran, or a military family of an active duty service member, or a multigenerational family.

For lower-middle income families, homeownership is the single largest investment they will ever make. (HUD, 2004)

Children living in bad housing have an increased risk of viral or bacterial infections and a greater chance of suffering from mental health and behavioral problems. (Hasker, 2006)

Homeowners are more likely than renters to be satisfied with their homes and neighborhoods, and are more likely to volunteer in civic and political activities. (Rohe, Van Zandt, McCarthy, 2000)

Our services are dedicated to aging-in-place, veterans' housing, critical repair programs and energy efficiency:

- **Critical Repair Program** - Urgent repairs include: roofing, plumbing and HVAC repairs, all performed by licensed contractors.
- **Safe At Home** - ADA modifications that include ramps, grab bars and minor structural changes performed by licensed contractors.
- **Veterans Housing** - addressing the home rehabilitation needs of veterans and currently deployed military service members.

For more information about our programs and how you or someone you know may qualify, visit our website at www.rtsnv.org. Have more questions? Call our office at 702.259.4900 or visit our website, www.rtsnv.org.

Do you know someone in need of our services? If you believe you, or someone you know, is eligible for any of our programs, we encourage you to call our office and one of our program managers will walk you through the application process.

Rebuilding Together Southern Nevada is a local non-profit organization that provides critical home repairs, ADA modifications, and safe and healthy home upgrades for low-income homeowners.

Our mission of bringing volunteers and communities together to improve the homes and lives of low-income homeowners is ensured by offering critical repair services **at no cost** to our homeowners. Plus, our work extends beyond the four walls of the home to impact the health and vibrancy of entire neighborhoods.

**MISSION**
Bringing volunteers and communities together to improve the homes and lives of low-income homeowners

**VISION**
A safe and healthy home for every individual and family in southern Nevada.

With your dedication and perseverance, you literally saved my life. I will be forever grateful to Rebuilding Together. - Vivian P.

**HOW CAN WE HELP YOU?**
Rebuilding Together Southern Nevada (RTSNV) provides zero cost home repairs and ADA modifications for low-income homeowners including:

- Seniors (must be at least 60)
- Military Veterans
- Active Duty Military and Families
- Persons with Disabilities

As the cost of living increases, many families are forced to choose daily essentials such as food, utilities and healthcare, and put aside both urgent and basic maintenance to the family home. Our programs help to make those tough decisions easier by offering home repair services at no cost to the homeowner.

By repairing existing properties we prevent neighborhood blight while protecting the homeowner’s independence and preserving their main source of personal wealth, THEIR HOME.
