Recommendation:

That the Board of County Commissioners request an amendment to the Republic Services ordinance be drafted to include the following: maintain twice a week trash pickup (already paid for); no later than March of 2011 replace three carts and start a single stream residential recycling program by providing a wheeled cart (resident may select size) (paid for with current recycling charges); discuss with Republic Services how to establish a recycle bank program which gives the homeowner an incentive and the recycling credit is to be redeemed at local businesses, and as automation of the trucks is phased in (an expression from Republic Services) the jobs will be maintained and establish criteria to measure the tonage, the related costs and success of the recycling program with the intent of moving to weekly recycling in 2012; or take any other action deemed appropriate.
